

BACHELOR STUDIES IN ENGLISH

Faculty/Study programme	Study duration – tuition fee for year (EUR)	Intake Autumn/ Spring
Civil and Mechanical Engineering		
Engineering Technology, Mechanics and Mechanical Engineering	3 years – 3540	A/S
Civil Engineering	3 years – 4840	A
Aviation Transport	4 years – 3540	A
Computer Science, Information Technology and Energy		
Computer Systems	3 years – 3550*/4430	A/S
Electrical Engineering (Adaptronics)	4.5 years – 3550	A/S
Telecommunication Technologies and Data Transmission Engineering	3 years – 3550	A/S
Smart Electronic Systems	4 years – 3550	A/S
Technical Translation	4 years – 1870*/3340	A/S
Telematics and Transport Electronics Systems	4 years – 3550	A
Finance Management Information Systems	4 years – 3250*/4430	A/S
Engineering Economics and Management		
Entrepreneurship and Management	3 years – 2500*/3500	A/S
Natural Sciences and Technology		
Environmental Engineering	3 years – 3930	A
Chemistry and Chemical Technology	4 years – 3540	A
Materials Engineering	3 years – 3540	A
Latvian Maritime Academy		
Marine Transport – Marine Electrical Automation	4.3 years – 4670*/6800	A
Maritime Transport – Marine Engineering	4.3 years – 4670*/6800	A
Maritime Transport – Navigation	4.3 years – 4670*/6800	A
Riga Business School		
Business Administration	3 years – 5100*/7150	A
Computer Science and Organizational Technologies	4 years – 5100*/7150	A

* Tuition fees for citizens of EU, EFTA member countries and EU candidate countries
