

MASTER STUDIES IN ENGLISH

Faculty/Study programme	Study duration – tuition fee for year (EUR)	Intake Autumn/ Spring
Civil and Mechanical Engineering		
Engineering Technology, Mechanics and Mechanical Engineering	2 years – 5310	A/S
Aviation Transport	2 years – 5310	A
Civil Engineering	1 year – 5080	A
Computer Science, Information Technology and Energy		
Computer Systems	2 years – 5320	A/S
Business Informatics	2 years – 5320	A/S
Logistics and Supply Chain Management	2 years – 4490	A
Cybersecurity Engineering	2 years – 5320	A
Telecommunication Technologies and Network Management	2 years – 5320	A/S
Smart Electronic Systems	2 years – 5320	A/S
Electrical Engineering (Adaptronics)	1.5/2 years – 5320	A/S
Smart Power Systems	2 years – 5320	A/S
Financial Engineering Mathematics	2 years – 4490	A/S
Technical Translation	1.5/2 years – 3620	A/S
Digital Humanities	2 years – 5320	A/S
Telematics and Transport Electronics Systems	1.5/2 years – 5320	A
Engineering Economics and Management		
Entrepreneurship and Management	2 years – 3000*/3500	A/S
Business Finance	2 years – 2950*/3500	A/S
Civil Construction and Real Estate Management	1.5/2.5 years – 4760	A/S
MBA Innovation and Entrepreneurship	2 years – 3400*/4500	A
Industrial Engineering and Management	2 years – 2800*/4500	A
Logistics and Supply Chain Security	1.5/2 years – 2950*/3500	A
Natural Sciences and Technology		
Environmental Engineering	2 years – 5320	A
Chemistry and Chemical Technology	2 years – 5890	A
Material Science and Nanotechnologies	2 years – 5320	A

* Tuition fees for citizens of EU, EFTA member countries and EU candidate countries
